Dear [REDACTED]

Thank you for your request of 5 June 2021, for the release of information held by the Civil Aviation Authority (CAA). Having considered your request in line with the provisions of the Freedom of Information Act 2000 (FOIA), we are able to provide the information below.

Your request:

*Can you please provide me with the following public record information:*

1. *What are the registrations of the aircraft that the CAA have approved for SSAC Experience flights at Eshott aerodrome and which are currently being marketed on their website?*
2. *Please provide me with a copy of the Participant Information Pack provided for the public and submitted to the CAA as part of the CAA application approval process from Eshott aerodrome.*

The CAA has not issued an SSAC permission for operations from Eshott airfield.

If you believe, and can provide clear evidence, that SSAC flights are being conducted without an SSAC permission, then you should make a report to the CAA [via our website](#).

3. *Please provide me with a list of all aircraft registrations, registered to the DTO at Eshott aerodrome.*

At the last inspection of the DTO in 2019 two aircraft, G-AWOT & G-LFSG, were recorded as being part of the DTO's fleet. The DTO is responsible for submitting any changes to its aircraft fleet on an annual basis as part of its annual report.

If you are not satisfied with how we have dealt with your request in the first instance you should approach the CAA in writing at:-
