Note: BMI have requested that the data for BMI British Midland, BMI Regional and BMI Baby are combined on this table

(a) Excludes small airlines' public transport operations (see table 10)

(b) EEA Scheduled Services are those operated between liberalised airports in the European Economic Area by holders of UK operating licences ie excluding services operated under UK Air Transport Licences.

(c) With flights carrying both international and domestic traffic only the international load data are included on this table. Load factors may therefore be distorted.
