Notes
1. Non EASA balloons, SSDR category microlights and Hang Gliders can fly on private flights beginning and ending in the UK without a CofA or Permit to Fly, please note that on this report they appear as Invalid.
2. As at 1st January 2023 there were 724 SSDR microlights, this figure is included in the microlight total above.
3. The "No Full Certificate" category includes aircraft that have not yet applied for a CofA / Permit, have temporary or export documents or do not require a CofA/PTF
4. Category changes have taken place from 1/1/21 as the UK is no longer an EASA member.
