Notes

1. Non EASA balloons, SDDR category microlights and Hang Gliders can fly on private flights beginning and ending in the UK without a CofA or Permit to Fly, please note that on this report they appear as Invalid.
2. The "No Full Certificate" category includes aircraft that have not yet applied for a CofA / Permit or have temporary or export documents or do not require a CofA/PTF
3. The "Unknown" category includes aircraft with former CofA / Permit categories that are now obsolete.
4. Validity periods supplied by recommending organisations such as the LAA and BMAA are subject to a processing delay and aircraft may appear as invalid even though a current CofA / Permit is in place.
