Notes

- (a) Domestic traffic is counted both at the airport of arrival and at the airport of departure. The total of domestic traffic is, therefore, only a measure of airport activity.
(b) Plymouth Airport closed December 2011
(c) Penzance Heliport closed October 2012

Please note that figures may change overtime as each new version is produced. Information relating to an airport that has ceased to handle regular traffic/closed will be excluded from this table completely. For data concerning historical years it is recommended that you use earlier produced versions of this table.
