Passengers and Air transport Movements Split by Fixed Wing and Rotary Wing Aircraft 2020
Comparison with Previous Year (a)(b)

Table 19 (Continued)

- (a) Domestic traffic is counted both at the airport of arrival and at the airport of departure. The total domestic plus international traffic is, therefore, only a measure of airport activity.
- (b) Excludes traffic at Carlisle, Isles of Scilly (St Mary's), Lands End (St Just), Edmiston London Heliport, Penzance, Shoreham, Swansea and Tresco.
- (c) Rotary wing includes only scheduled operations to/from full reporting airports and services to/from oil rigs.

Please note that figures may change overtime as each new version is produced. Information relating to an airport that has ceased to handle regular traffic/closed will be excluded from this table completely. For data concerning historical years it is recommended that you use earlier produced versions of this table.
