

DECLARED TRAINING ORGANISATION ANNUAL REPORT AND RETURN

All Organisations are reminded that, in accordance with the DTO Regulations, they are required to submit an annual report to their Allocated Inspector. The content of the report is as detailed in DTO.GEN.270 and CAP1637, Chapter 6. Furthermore, all DTOs are reminded that it is their responsibility to submit the Report on time – your allocated inspector will not remind you. If you do not submit a report a finding will be raised at you next inspection meaning that you will be required to conduct a root cause analysis and put forward a corrective action plan to prevent a re-occurrence in future years. If you have not completed any training over the 12 month period you should still contact your Inspector and report a Nil Return The following list shows all DTOs (at September 2024) together with the month in which they were notified that their annual report is due
