Confirm that you understand your responsibilities

I confirm that all personnel directly involved in the operations are competent to perform their tasks, and the unmanned aircraft system will be operated only by remote pilots with the appropriate level of competency.

This means that the organisation agrees to meet the following responsibilities.

Select to confirm

- The organisation will meet all legal requirements for being responsible for a drone or model aircraft.
- The organisation will display its operator ID on any drone or model aircraft it is responsible for that requires an operator ID.
- The organisation will only allow people with the appropriate authorisation, such as a valid flyer ID, to fly any drones or model aircraft it is responsible for.
