If you have used the CAA Customer Portal before, please log in to your existing user account.</p> <p>Please note: Your application will not be processed until you have submitted it via the CAA Customer Portal and paid the relevant fee.</p> <p>The charge(s) required will be calculated in accordance with the current CAA Scheme of charges List of Official Record Series 5 - Scheme of Charges (caa.co.uk)</p> <p style="text-align: center;">Important: Please save your completed form before proceeding.</p> <div style="text-align: center; margin: 10px 0;">  </div> <p>If you prefer, you can access the service by logging onto the CAA Customer Portal via https://portal.caa.co.uk and selecting the Application Form Submission Service.</p>

GUIDANCE

General

Before completing this form please read the Guidance Notes.

Aircraft Type Ratings are issued by the Civil Aviation Authority in accordance with the provisions of the Air Navigation Order 2016. AIC 137/1993 - The Requirements to obtain a Flight Engineers Licence gives guidance to applicants on the criteria adopted for the issue and variation of a Flight Engineers licence

Personal Details

The permanent address is the one that will appear on your licence. If you wish the licence returned to an alternative address please complete the correspondence address.

Application and Declaration

Please indicate the Aircraft Rating (type of aircraft) that you have been tested on.

The period of validity of the Certificate of Test in respect of this rating will date from the completing of the tests in Section 5 of this application.

Certificate of Test

The Examiner is to complete the Examiner's

'Satisfactorily' means the applicant is in full control of the panel at all times and that the successful outcome of a procedure, check, action or drill is never in doubt. 'Unassisted' means without verbal prompting or physical assistance with the panel.

Experience as Flight Engineer on Type of Aircraft which applicant wishes included in Aircraft Type Rating

The various items of the test may be carried out at different times but items must have been completed within 6 months preceding the application for the aircraft rating or licence.

Certification of Parts of Aircraft Type Rating Test

Only persons holding a valid Examiners Certificate issued by the Civil Aviation Authority Flight Operations Inspectorate Operator Training Standards may sign Certificates of Test or Certificates of Experience.

Section 6 **CAA use only**

Section 7 **Submission Instructions**
