The Civil Aviation Authority (the CAA), pursuant to Section 11 of the Civil Aviation Act 1982 and after consulting the persons who, in its opinion, are likely to be affected by the Scheme or such of those persons as it thinks fit, and after consulting with the Secretary of State, makes this Scheme for determining the charges to be paid to the CAA in connection with the performance by the CAA of certain of the functions conferred on it, by or under the Order, with respect to the grant of aerial application certificates, and under the EASA Air Operations Regulation, with respect to declarations for non-commercial operations and non-commercial specialised operations with complex motor-powered aircraft.

1 REVOCATION

- 1.1 The Scheme of Charges published by the CAA on 17 March 2015 determining the charges to be paid to the CAA in connection with the performance by the CAA of the aforesaid functions is hereby revoked.
- 1.2 Section 16(1) of the Interpretation Act 1978 (which relates to the effect of repeals) applies to this Scheme as if this Scheme were an enactment and as if the Scheme of 17 March 2015 revoked by paragraph 1.1 was an enactment thereby repealed.

2 CHARGES

Charges are payable to the CAA as follows:

2.1 Grant or renewal of an aerial application certificate

Upon making application for the grant or renewal of an aerial application certificate, the applicant shall pay:

- a) a charge of £2,167; and
- b) a charge of £304 in respect of each aircraft specified in the certificate.

2.2 Variation application charges

Upon making an application for the variation of an aerial application certificate to specify an additional aircraft in the certificate, the applicant shall pay a charge of £304 in respect of each additional aircraft to be specified.

When making an application for the CAA to review an Alternative Acceptable Means of Compliance (AltMOC) for an organisation or person under ARO.GEN.120 (d) of Annex II and ORO.GEN.120 of Annex III of the EASA Air Operations Regulation that would allow the establishment of compliance with implementing rules made under the Basic EASA Regulation, the applicant shall pay to the CAA a charge of £474. Should the CAA review exceed three hours, the applicant shall pay to the CAA additional charges of £170 per hour for each of the excess hours incurred or part thereof. These additional charges shall be determined and invoiced by the CAA having regard to the expense thereby incurred, but not exceeding £9,870 in any year or part of a year in which the investigations are carried out. The charge is payable on demand.

2.4 Copies of documents

Upon making an application for the issue by the CAA of a copy or replacement of any document referred to in this Scheme of Charges, the applicant shall pay a charge of £22.

2.5 Additional charge where functions performed abroad

An additional charge will be payable where, in connection with any function in respect of which a charge is specified in the Scheme, the CAA deems it necessary for a Member or employee of the CAA or any other person appointed to act on behalf of the CAA to travel outside the country in which such person is normally stationed

The applicant or holder shall pay the CAA on demand, in addition to the appropriate charge specified in this Scheme, a charge of such amount as may be decided and invoiced by the CAA having regard to the expense thereby incurred by it.

The additional charge shall not exceed, for each employee of the CAA or each person appointed to act on behalf of the CAA, a maximum of £50,000 per function in respect of which a charge is specified in the Scheme (£13,090 per week), during which each such Member or employee or any other person appointed to act on behalf of the CAA is absent from the country in which he is normally stationed.
