Airlines have been consulted via the various SIP and RP2 consultation which included BAW, EZY, VIR, IATA, RYR, EXS, TUI, TCX, UAL, AAL, BEE

We have also pre-consulted the airlines for RP3 and they have been clear that they want to see modernisation of UK airspace.

- * Airspace Modernisation – should be the key theme for RP3 (especially LAMP)
- * Airspace modernisation with particular emphasis on LAMP Phase 2 & delivery of capacity to meet growth with more efficient PBN designs

Airlines engaged for RP3 pre-consultation:

Air Canada

IATA

British Airways

Jet2

BA CityFlyer

KLM

Delta

Lufthansa Group

DHL & European Air Transport

Ryanair

easyJet

Singapore

Emirates

Thomson

Flybe

Virgin Atlantic
