

Proposed Changes to CAA Scheme of Charges

Air Travel Organisers' Licensing Scheme Enclosure

1 INTRODUCTION

- 1.1 Details of revisions proposed to apply from 1 April 2019 are shown in red within this Enclosure. Current charges are shown in brackets where direct comparison is possible. Where no change to a price is proposed then the current charge will only be shown.

2 CHARGES

- 2.1 The charges payable to the CAA on application for grant, variation or renewal of an Air Travel Organiser's Licence (ATOL) are specified in Tables 1 – 4 and 7 below. The charge payable is the total of the fixed charge and, where applicable, the per passenger/seat charge. The charges set out in Table 7, Line 1, may also be applicable and payable by the applicant or the ATOL holder on demand by the CAA.
- 2.2 For the purpose of determining the amount of any charge calculated by reference to passenger/seat, "passenger/seat" refers to the Licence Limit of passengers or seats on the ATOL which may be granted pursuant to the application. The per passenger/seat charges set out in Tables 1, 2, 3 and 4 below are payable by the applicant on demand by the CAA.
- 2.3 For the purpose of this Scheme of Charges an application will be deemed to have been received by the applicable date if the completed application form, and all supporting information as specified in **this Scheme** and **including** the charge **as** set out in this Scheme, have been received on or before the applicable date. The applicable date is:
- 1 February for applications to renew an ATOL on 1 April of that year; or
 - 1 August for applications to renew an ATOL on 1 October of that year.

(New paragraph)

For the purposes of this Scheme, an application will be deemed to have been received on or before the applicable date if:

- A completed application form has been submitted through ATOL Online; and**
 - The relevant financial statements and statement of personal assets and liabilities, as defined in ATOL Policy and Regulations 2016/01, have been uploaded and submitted through ATOL Online; and**
 - A completed ATOL Annual Report (AAR) Part 2 has been submitted through ATOL Online; and**
 - The relevant fee has been paid (or a new Direct Debit mandate must be received by ATOL at least one month prior to the expiration of a licence).**
- 2.4 An applicant will be charged the 'Fixed charge Not paid by Direct Debit' set out in Tables 1, 2, 3 and 4 unless:
- the applicant has signed and continues to maintain a Direct Debit mandate authorising the CAA to collect all and any ATOL charges payable by the applicant (under this Scheme of Charges);
 - the applicant's ATOL Protection Contributions (APCs) due are collected by the Air Travel Trust (ATT) by means of a separate Direct Debit mandate; and
 - the applicant submits its APC returns into the CAA's APC System (accessible via the CAA website);

in which case the applicant renewing an ATOL will be charged the 'Fixed charge Paid by Direct Debit' set out in Tables 1, 2, 3 and 4, as applicable.

- 2.5 Table 1 sets out the charges for a Standard ATOL¹ other than a Franchise Member ATOL. All fixed charges in Table 1, Line 5 is payable on application. The per passenger/seat charge, where applicable, is payable on demand by the CAA. Any additional charges as specified in Table 7, Line 1, are payable by the applicant on demand by the CAA.

¹ A Standard ATOL holder is defined in Official Record Series 3 as any ATOL holder other than a Small Business ATOL holder.
