Hi [REDACTED]

I hope you had a nice trip ☺

Cranfield University brought Air Traffic Services in house in 2017 with CAA approval being granted for our ANSP in April 2017. As part of the transition, Cranfield University approved all safety cases that had previously been written by SERCO.

Hope you have a nice weekend too.

Kind Regards

Hi [REDACTED]

Have you made any progress with this during my absence...or have I just missed it during my quick catch-up? I should be back working properly from Monday.

Have a good weekend,

Kind regards,
