Hi [REDACTED]

From our records Lee on Solent was first licenced on 23 March 2015. I have attached a copy of their most recent re-issue.

Subject: Lee on Solent ATZ

Good afternoon [REDACTED]

I have been tasked with the Post Implementation Review of the introduction of an Aerodrome Traffic Zone (ATZ) around Lee on Solent. The Director's Decision Letter dated 19th December 2012 stated that the ATZ could not be introduced until the aerodrome became licensed.

To save me having to trawl through NOTAMs and AICs (and the original Case Officer has since left the CAA), do you have an easy way of identifying when less on Solent became licensed?

Kind regards,
