

IMPORTANT INFORMATION ABOUT 2020/21 CHARGES

On 20 March 2020 the CAA published details of the charges applicable on and from 6 April 2020. The charges schemes can be found here: [CAA Schemes of Charges](#).

The CAA recognises the enormous impact that the COVID-19 pandemic is having on the aviation and aerospace industries. For this reason, we delayed the increase to our scheme of charges until 30 September 2020.

Due to the ongoing challenges faced by the sector, the CAA Board reviewed the decision at the end of September and agreed to a further delay to any increase in charges until 31 December 2020. This has now been extended for the final three months of FY20/21 ending on 31 March 2021.
