General Exemption E5454

Landing and Taking Off Near Open-Air Assemblies

Background

- 1) This is a replacement exemption to change the regulatory reference from ANO 2009 to ANO 2016. The exemption corrects a discrepancy in the published rule with regards to aircraft taking off or landing within 1000m of an “organised” open-air assembly of more than 1000 people.

Exemption

- 2) The Civil Aviation Authority (“the CAA”), in exercise of its powers under article 266 of the Air Navigation Order 2016, hereby exempts any aircraft from the requirement to comply with Rule 5(2) of the Rules of the Air Regulations 2015 subject to the condition in paragraph 3.
- 3) The condition specified in paragraph 2 is that the aircraft must not land or take off within 1,000 metres of an organised, open-air assembly of more than 1,000 persons except:
 - a) at an aerodrome, in accordance with procedures notified by the CAA; or
 - b) at a landing site which is not an aerodrome, in accordance with procedures notified by the CAA and with the written permission of the organiser of the assembly.
- 4) General Exemption E4077 issued under ORS4 No.1127 is hereby revoked.

Date in Force

- 5) This exemption has effect from the date it is signed until it is revoked.
