

Part-BFCL BPL Examinations – 010 Air Law

Syllabus Reference	AMC1 BFCL.130 Reference	Syllabus Details & Associated Learning Objective
010.00.00.00	1	AIR LAW AND ATC PROCEDURES
010.01.00.00	1.1	International law: conventions, agreements and organisations
010.01.01.00		The Convention on international civil aviation (Chicago) Doc. 7300/6
010.01.01.01		Part I Air Navigation: relevant parts of the following chapters:
		(a) general principles and application of the convention;
		(b) flight over territory of Contracting States;
		(c) nationality of aircraft;
		(d) measures to facilitate air navigation;
		(e) conditions to be fulfilled on aircraft;
		(f) international standards and recommended practices;
		(g) validity of endorsed certificates and licences;
		(h) notification of differences.
010.01.01.02		Part II The International Civil Aviation Organisation (ICAO): objectives and composition
010.02.00.00	1.2	Annex 8: Airworthiness of aircraft
010.02.01.01		Foreword and definitions
010.02.01.02		Certificate of airworthiness
010.03.00.00	1.3	Annex 7: Aircraft nationality and registration marks
010.03.01.01		Foreword and definitions
010.03.01.02		Common- and registration marks
010.03.01.03		Certificate of registration and aircraft nationality
010.04.00.00	1.4	Annex 1: Personnel licensing
010.04.01.01		Definitions
010.04.01.02		Relevant parts of Annex 1 connected to Part-FCL and Part-Medical
010.05.00.00	1.5	Annex 2: Rules of the air
010.05.01.01		Essential definitions, applicability of the rules of the air, general rules (except water operations), visual flight rules, signals and interception of civil aircraft
010.06.00.00	1.6	Procedures for air navigation: aircraft operations doc. 8168-ops/611, volume 1
010.06.01.01		Altimeter setting procedures (including ICAO doc. 7031 – regional supplementary procedures)
010.06.01.02		Basic requirements (except tables), procedures applicable to operators and pilots (except tables)
010.07.00.00	1.7	Secondary surveillance radar transponder operating procedures (including ICAO Doc. 7031 – regional supplementary procedures)
010.07.01.01		Operation of transponders
010.07.01.02		Phraseology
010.08.00.00	1.8	Annex 11: Doc. 4444 air traffic management
010.08.01.01		Definitions
010.08.01.02		General provisions for air traffic services
010.08.01.03		Visual separation in the vicinity of aerodromes

010.08.01.04		Procedures for aerodrome control services
010.08.01.05		Radar services
010.08.01.06		Flight information service and alerting service
010.08.01.07		Phraseologies
010.08.01.08		Procedures related to emergencies, communication failure and contingencies
010.09.00.00	1.9	Annex 15: Aeronautical information service
010.09.01.01		Introduction, essential definitions
010.09.01.02		AIP, NOTAM, AIRAC and AIC
010.10.00.00	1.10	Annex 14, volume 1 and 2: Aerodromes
010.10.01.01		Definitions
010.10.01.02		Aerodrome data: conditions of the movement area and related facilities
010.10.01.03		Visual aids for navigation:
		(a) indicators and signalling devices;
		(b) markings;
		(c) lights;
		(d) signs;
		(e) markers.
010.10.01.04		Visual aids for denoting obstacles:
		(a) marking of objects;
		(b) lighting of objects.
010.10.01.05		Visual aids for denoting restricted use of areas
010.10.01.06		Emergency and other services:
		(a) rescue and fire fighting;
		(b) apron management service.
010.11.00.00	1.11	Annex 12: Search and rescue
010.11.01.01		Essential definitions
010.11.01.02		Operating procedures:
		(a) procedures for PIC at the scene of an accident;
		(b) procedures for PIC intercepting a distress transmission;
		(c) search and rescue signals.
010.11.01.03		Search and rescue signals:
		(a) signals with surface craft;
		(b) ground or air visual signal code;
		(c) air or ground signals.
010.12.00.00	1.12	Annex 17: Security
010.12.01.01		General: aims and objectives
010.13.00.00	1.13	Annex 13: Aircraft accident investigation
010.13.01.01		Essential definitions
010.13.01.02		Applicability
010.14.00.00	1.14	National law
010.14.01.01		National law and differences to relevant ICAO Annexes and relevant EU regulations
010.14.01.02		ICAO Annexes and relevant EU regulations.
