**CAA Scheme of Charges
(RPAS)**

No: 441
Publication date: 12 March 2025
Commencement date: 01 April 2025

The Civil Aviation Authority, pursuant to Section 11 of the Civil Aviation Act 1982 and after consulting the persons who, in its opinion, are likely to be affected by the Scheme or such of those persons as it thinks fit, and after consulting with the Secretary of State, hereby makes a Scheme for determining the charges to be paid to the CAA in connection with the performance by the CAA of the functions conferred on it by or under the assimilated regulations UK (EU) 2019/947 and UK (EU) 2019/945 listed in section 2 below:

Excess Hour Charges

The CAA has identified within this Scheme those charges which are subject to excess hour charges at the point that the initial charge no longer covers the costs incurred in carrying out the specified activity. In order to determine the equivalent number of hours of CAA time for which the initial charge covers, and where not already otherwise stated, the charge should be divided by the appropriate hourly rate quoted, rounded up to the nearest whole hour.
