**CAA Scheme of Charges
(Personnel Licensing)**

No: 430
Publication date: 12 March 2025
Commencement date: 01 April 2025

The Civil Aviation Authority, pursuant to Section 11 of the Civil Aviation Act 1982 and after consulting the persons who, in its opinion, are likely to be affected by the Scheme or such of those persons as it thinks fit, and after consulting with the Secretary of State, hereby makes a Scheme for determining the charges to be paid to the CAA in connection with the performance by the CAA of the following functions:

- i) certification and licensing flight crew of aircraft, aircraft maintenance engineers, air traffic controllers, radio operators and flight information service officers;
- ii) approving and certifying aviation training organisations and schools and courses of training for flight crew licences and aircraft maintenance engineers licences and persons to provide such courses;
- iii) authorising and certifying persons to conduct examinations or tests and to sign certificates of test or experience or revalidation for flight crew licences;
- iv) granting exemptions and derogations in relation to flight and cabin crew personnel licensing;
- v) approving and certifying flight simulators;
- vi) granting of accreditation to an awarding organisation for a national qualification for a UK Part-66 aircraft maintenance licence;
- vii) approving of awarding organisations for the accreditation of a national qualification for a UK Part-66 aircraft maintenance licence;
- viii) approving and certifying schools for the training of air traffic controllers;
- ix) certification of aeromedical examiners, and centres and medical training courses.

Excess Hour Charges

The CAA has identified within this Scheme those charges which are subject to excess hour charges at the point that the initial charge no longer covers the costs incurred in the carrying out the specified activity. In order to determine the equivalent number of hours of CAA time for which the initial charge covers, and where not already otherwise stated, the charge should be divided by the appropriate hourly rate quoted.

1 REVOCATION

- 1.1 The Scheme of Charges published by the CAA on 7 August 2024 determining the charges to be paid to the CAA in connection with the performance by the CAA with respect to the above functions is hereby revoked.
- 1.2 Section 16(1) of the Interpretation Act 1978 (which relates to the effect of repeals) shall apply to this Scheme as if this Scheme were an enactment and as if the Scheme of 7 August 2024 revoked by paragraph 1.1 above was an enactment thereby repealed.

NOTE 1: Section 17 contains a list of definitions for the abbreviations used within this Scheme.
